**PE and Sports Allocated Funding 2022-23: £18,350**

All primary schools across the country have been provided with extra funding from the Department for Education. The purpose of the funding is to achieve clear outcomes in raising achievement and increasing opportunities for all primary aged children in PE. We recognise the importance that PE and sports play in the lives of children in promoting healthy lifestyles and developing them physically, emotionally and mentally. We believe that children’s self-esteem, attitude and self-discipline are improved by being able to engage in and achieve success in sporting activities. We plan to spend our funding in the following way:
